

WATER RATES TO GO UP ON SEPT 1.

The Board of Water Commissioners have ordered an increase in the rate for sale of water, in Wilmington.

The order, made last Thursday night, will increase rates for domestic users about 25%.

It is the first increase made since 1928, when the Water Department first started service, and brings Wilmington's water rate on a par with other contiguous towns.

The increase in rates, the Water Commissioners explained, is designed to bring in about

\$19,000 additional revenue a year. The added revenue will be used in paying off Water Department loans, which are now met as a general obligation, by the town.

The \$19,000, however, will still not be sufficient to entirely meet the cost of the bonded indebtedness.

A special meter reading program is being planned for August, so that water used by householders during July and August will not be charged for at the new rates.

SELECTMEN GIVE BLESSING TO SCHOOL BUS SHELTER PROJECT OF JCS

The Board of Selectmen, Monday night, extended its blessing to the proposed School Bus Shelter Project, of the Junior Chamber of Commerce.

President Lloyd Bender III, of 455 Salem Street, and Past President John Holloway, of Oakdale Road were commended, by the Selectmen, on the program undertaken to provide shelter to children waiting for school busses.

The two men stated that the proposed JC program will cost about \$100 per shelter, which shelters will have a concrete floor, and be about 8 by 10 feet in size.

30 to 40 children should be able to get protection from inclement weather, in addition to being kept off the streets, the two men stated. They cited figures of the National Safety Council, issued in 1958, which stated that 21,708 children had been injured, 7348 of them being killed or seriously injured, in pedestrian-auto accidents in the previous year.

15 Preferred Sites
Permission will have to be had from landowners in the vicinity of each of the proposed

shelters, and the Selectmen were told of one landowner who offered assistance, financially, when he heard of the proposal.

Wilmington merchants have been very generous, in providing money for the materials.

The shelters will be erected each fall, and taken down in the spring for re-furbishing, using 'JC Muscles', according to Bender.

Priority has been given to 15 sites, by joint action of the School Committee and Sgt. John Imbimbo, of the Police Department, but additional shelters will be built, if money is available.

The 15 sites for the first shelters are: Lowell and West Sts; Nichols St & Shawsheen Ave; Shawsheen Ave and Lake St; Woburn & Eames St; Carter Lane & Shawsheen Ave; Park St. & Gowing Road; Cross & Lowell Streets; Shady Lane Drive and Middlesex Ave; Woburn & Concord Sts; Linda Road & High St; McDonald Road; Carson Ave. (Hathaway Acres); Main and Woburn Sts; Andover St near pumping station; and Catherine Avenue.

DON KIDDER BREAKS TIE VOTE ON URBAN RENEWAL

Selectman Don Kidder, Monday night, broke a tie of over half an hour's standing, to vote an approval of the 'Workable Program', prepared by TM Cecil Lancaster, for the Wilmington Urban Renewal Program.

The Workable Program was mailed to Charles J. Horan, Regional Director of the Housing and Home Finance Agency, in New York, Tuesday morning. It consists of a report in

detail of the town, its zoning, codes, maps, planning, schools, churches and civic organizations, and is one of the required documents to be submitted prior to final approval of an Urban Renewal project.

Because of the absence of Selectman Charles H. Black, (his father is seriously ill) the vote of approval was tied, (Cont. Pg 4)

REP. TANNER TO RUN FOR RE-ELECTION

Rep. Frank D. Tanner, Republican, announces his candidacy for re-election as Representative in the 18th Middlesex District.

The 18th Middlesex District comprises the towns of Wilmington, North Reading and Reading and Wards 2, 3, 4, 5, 6, 7 in Woburn.

Primaries will be held Sept. 13, 1960 and Election Day will be November 8, 1960.

REP. DONOHUE TO RUN FOR RE-ELECTION

Representative Thomas F. Donohue today announced his candidacy for re-election as Representative in the General Court 18th Middlesex District, which embraces Reading, North Reading, Wilmington, and Woburn.

Rep. Donohue is presently assigned to the Committee on Transportation, and is Vice-Chairman of the Committee on Cities in the Legislature. He is also a member of the all important Recess Commission on Transportation.

Donohue was first elected Representative to the General Court from this District in 1957 in a special election to replace the late Charles Wilkinson of Reading. In this election he was the first Democrat in 43 years to be elected to that office. In 1958, Donohue was reelected to the office of Representative to this district 'Topping the ticket' in doing so.

TRUCKING TERMINAL PROPOSED OFF WOBURN ST

Herbert Ginn, President of Ginn & Fox, a Maine trucking firm, has proposed to the Wilmington Planning Board that land adjacent to Route 93, off Woburn Street, be re-zoned so that a trucking terminal and warehouse operation can be established in Wilmington.

Ginn proposes to purchase 20 acres of land north of the Ipswich River, part of the old Fred A Smith Sandpit No. 1, and to erect two buildings, of brick and steel, having a value of about \$250,000.

Ginn, with John A Gladu of Tewksbury, and Smith, talked over the proposition Tuesday night during a visit to the Planning Board, in the Town Hall.

He proposes to sell a terminal presently owned in Everett and to build in Wilmington, where he would garage and register some of his trucking equipment. The equipment, he

LENDING A HAND TO LOWELL

Wilmington Fire Department's ladder truck at the fire in Lowell last Saturday, when apparatus from a dozen towns and cities were called in to assist at the Rex fire. Standing by the truck, in white shirts, are Fire Chief Arthur Boudreau and Selectman Donald Kidder.

SELECTMEN VOTE TO POST HATHAWAY'S SWIMMING HOLE

The Board of Selectmen, alarmed by conditions in the Hathaway gravel pit, off Salem Street, voted Monday night to have signs erected warning the public that the pit was private property, and dangerous for swimming.

They also requested TM Cecil Lancaster to check with the Town Counsel, as to their actions, and also to request the Sanitarian to check the water in the pit, which makes an attractive looking swimming pool, for possible disease.

Selectman De Felice told the Board that he had visited the pit Sunday, and found over 100

cars parked there, with many bathers using the place.

One of the persons at the place wanted to know why the 'doesn't do something about this - my kid went out four feet and was in water over his head'.

Other tales were told of kids riding on top of autos, and of near vandalism by people in the area.

John Brooks wanted to know what had happened as a result of the letter warning Hathaway to fence off the area, under penalty of the law.

'Can't we take legal action - we sent the letter - we should carry it through' Brooks said.

\$400 ADDITIONAL FUNDS

FOR MORE LIFEGUARDS AT BEACH

The Wilmington Selectmen and the Finance Committee have approved of an additional \$400 to be used for more lifeguards at the Town Beach at Silver Lake.

A letter from the Recreation Commission, which was read at the Selectmen's meeting Monday night, asked for the additional money, explaining that when the Commission made up its budget for 1960 they did not know that the Planning Board was planning to make the beach bigger.

The result was that the lifeguards were unable to properly guard the entire area, the letter said. It pointed out that many small children use the area, and said that if the money was voted it would be used to hire part-time lifeguards, to supplement the two

men at present on duty.

The \$400 will be sufficient for the remainder of the season, the letter stated.

A UNIQUE PROGRAM

There are bus shelters for school children in many parts of the United States, but not on a really organized basis.

There is one bus shelter in Wilmington, put up several years ago by members of the Park St. Acres Association.

But we haven't heard before of such an organized program as the Junior Chamber of Commerce of Wilmington is proposing.

If they can get the money (a total of about \$4000) they will build, using their own labor, shelters at every point needed in the Town of Wilmington, where school children must wait for school busses.

We have had plenty of cases of kind hearted individuals helping out, in Wilmington, but such wholesale work is rare, and should be supported by every citizen and businessman in the town.

LET'S WAIT BEFORE WE COMPLAIN

Some of our good residents are full of complaints about the new Route 93, that goes through Wilmington, and are all ready to mount and charge off on a Holy Crusade.

They are peeved because of the signs, and in more cases, the lack of signs.

We have had complaints that there are no "Stop" signs at the intersections of the new Route with Routes 129 and 62. The complaints are justified, and we will agree that a good deal of danger does exist, in that a speed-happy driver coming off the new route may collide with another on one of the two other routes. We have seen a couple of near "misses" ourselves.

Other points are that the sign at Route 62 should point to "North Wilmington", and not "Wilmington", and that there should be a sign erected at the Ipswich River, telling the passing motorist the name of the stream which meanders through the 100 Acre Meadow.

We believe that the Department of Public Works has these things "in hand" and will get around to them eventually. At least it is still too early to complain, for it is only a few weeks since the new route opened.

There are other things too - loam to be spread, etc. We believe it will be done, in its time. But we suspect that the DPW is not going to do anything about the blocking of the Ipswich, just upstream from the new bridge. The 100 Acre Meadow is still flooded, after several weeks of drought, because there is no proper channel for the river, as things exist today.

RICHARD CUTLER AT CAMP INDIAN ACRES

Richard Cutter, son of Mr and Mrs Simon Cutter, 43 Church St is leaving for another summer at Camp Indian Acres in Maine.

CARD OF THANKS

Bob and I wish to publicly thank Mrs Robert B Robichaud of 24 Hiddenway, Andover, Mass for her quick thinking and instantaneous reactions in not hitting our son last week.

She should be commended for her presence of mind in handling the situation and her automobile.

Sincerely,
Nancy H. Clark

YOUTH CANTEN TO HOLD DANCE

Saturday evening, July 2, the Youth Canteen will sponsor a dance at the Wildwood School. Music will be by The Atoms.

Winners of the election to the Youth Executive Committee will be announced. These are the boys and girls that actually make up the activities of the canteen under adult supervision.

CARD OF THANKS

The Family of Mr. Raymond Doherty wish to thank sincerely, the many friends who remembered, in their sorrow, and who helped to make easier the sudden blow of the recent loss.

TROOP 63

The Boy Scouts of Troop 63 sponsored by St. Thomas's Church have just completed a successful year of scouting. The Scouts had their first overnight hike two weeks ago at camp Forty Acres. On that occasion, Mr. Al Nigro was the honored guest at a testimonial campfire. Mr Nigro is retiring as scoutmaster. The following day, the 39 scouts and their 4 leaders began work in clearing their own campsite at Forty-Acres.

On Saturday, the 18th of June the Scouts conducted a very successful rag and scrap drive. The profits will go towards the purchase of much needed camping equipment. A sincere thanks from all the boys to those who contributed, and especially to Mr DeFelice for providing the trucks.

Then on Monday evening, June

20th, the final meeting before the summer months was held at the home of assistant-scoutmaster Roger Beaupre. On hand was Mr Frank Curley of the Wilmington skin-diving club who demonstrated Scuba equipment and pointed out safety measures for underwater swimming. Also at this occasion, the troop was presented an award by the Goodwill Industries for the fine work the boys did in the Goodwill campaign. After a grand time in the swimming pool, the scouts enjoyed hot-dogs and tonic.

Many of the boys will be attending Scout camp this summer. A good number of the scouts are now working to meet the requirements of the Ad Altare Dei award for Catholic scouts. They hope to receive this medal from Cardinal Cushing in February.

TOWN NOTES

No Rain

It's practically drought conditions in Wilmington, with no rain in the past two weeks.

Last Friday the weather bureau was warning of tornadoes, which never came, but which scared a few people into cutting short their days' activities.

In spite of the drought the Hundred Acre Meadow is flooded because of the construction of Route 93, which never did clear up the channel for the Ipswich River, which it blocked a couple of years ago.

Then He Bought A Thunderbird

John Elia, of West Street is a man who is well liked in his neighborhood. For some years he has been driving a Ford, and wouldn't change. He would not admit the reason, but it was because he was scared of trying an 'automatic' shift.

Then his son Mike bought a cute 'lil 'ole Thunderbird, low slung, and painted bright red, and we began to get reports of old John being seen driving it around town.

Now John has one for himself.

The Sign Program

A couple of weeks ago the Planning Board wrote a letter to the TM, asking that excess and illegal signs, on telephone poles, and private property, be removed.

The TM turned the job over to the Chief of Police, and Paul sent out his minions in blue.

The Police Station was soon filled (or nearly so) with various signs, and shortly afterwards with irate sign owners.

It seems that the Building Inspector is the man who is supposed to enforce the law regarding signs that are on private property - all Paul has to worry about is the ones on public property.

Oh Well, says Paul. You live and learn.

Mabel Holt

We have learned that Miss Mabel Holt, Postmaster of Wilmington back before 1930 has died, in New Gloucester, Maine. Miss Holt was the daughter of a Civil War veteran who had also been postmaster, and was well known to the old timers of Wilmington. We are sorry that we cannot give more details at this time.

She had a lot of fine pictures of Wilmington back at the turn of the century. We just hope that those pictures may be returned to this town, perhaps to the Historical Society.

Passenger Service

The first passenger trains to use the B&M tracks in about a year went through North Wilmington, (without stopping) last Saturday.

At least two, and perhaps three trains were involved, some of which had over a dozen coaches.

The occasion was a picnic, at Canobie Lake, NH., for the employees of the Gillette company, in Boston.

LETTER

To the People of Wilmington:
This morning, a boy on a bicycle cut out from Central Street onto Church Street, going toward the High School. A woman, coming from Town, travelling toward the High School, applied her brakes in front of the Methodist Church, but caught him, hitting him from behind, in front of our house. Within three weeks, there have been two very close calls and this accident in the same spot. We realize that Route 62 is layed out so that there is a tendency to pick up speed at this spot, when coming from Town.

We appeal to the drivers on Route 62. Our youngsters are out of school. Many of them are on bicycles, or horseback. Please--Please--Please--Be Alert...Drive Moderately...and be Certain your Brakes are Good at All Times!

Thank you.

Bob and Nancy Clark
99 Church Street
Wilmington, Mass.

PRINCIPAL ASSESSOR MAKES STATEMENT ON WHA TAXES

Stanley Webber, Principal Assessor of Wilmington, Monday night told the Selectmen that the letter they had received from the Wilmington Housing Authority did not contain all the information pertaining to the tax situation of a Housing Authority, with respect to local governments.

Under Chapter 59, Section 26R of the Revised Statutes, Webber said, agreements can be made to pay other than the minimum sums stipulated by the WHA, and 'I understand this was done when the Wilmington Housing Authority was first set up'.

The agreement, he indicated, was the basis for the payments which have been made for the past eight years on the Veterans Housing project on Wildwood Street.

Referring to the Old Age Housing project, Webber told the Selectmen that the Housing Authority, last year, refused to pay, and he then refused to abate taxes. Two weeks later the WHA paid the taxes.

He understood that the WHA has a letter from the State Housing Board advising the WHA not to pay any taxes on the Old Age Housing project on Denning Way.

JOAN BENNETT AND DONALD COOK TO STAR AT NORTH SHORE MUSIC THEATER

Two of the stage's most scintillating personalities, Joan Bennett and Donald Cook, will co-star in 'The Gazebo' at the North Shore Music Theater, Rt. 128, Exit 9, Beverly, for one week, July 4 through 9.

This popular mystery-comedy by Alec Coppel will be directed by Adrian Hall, with scenery by William Demos.

Miss Bennett and Mr Cook, though well known for their individual accomplishments, in the past few years have emerged as one of entertainment's top comedy teams. On television they starred in the popular series, 'Too Young to go Steady'. On the straw hat circuit, they appeared together in 'Anniversary Waltz' and 'Once More with Feeling', and just recently they completed a cross-country tour in 'Pleasure of His Company.'

Joan Bennett, the youngest of the three illustrious daughters of Richard Bennett and Adrienne Morrison, came to prominence with her first screen role as Ronald Coleman's vis-a-vis in 'Bulldog Drummond'. Since then she has triumphed in some 70 screen plays. She has also toured in several stage hits.

Donald Cook is regarded along Broadway as one of its most deft light comedy stars and popular leading men. He has appeared opposite such outstanding personalities as Tallulah Bankhead, Gertrude Lawrence and Dorothy MacGuire and is known for his fine work in many stage hits. Mr Cook also spent seven years in motion pictures and has starred in major television productions. Performances of 'The Gazebo'

will be Monday through Saturday at 8:15 p.m., with a matinee on Wednesday at 2 p.m. Prior to the Wednesday matinee, there will be a Matinee Fashion Buffet at the Theater Terrace Restaurant, beginning at 12:30 p.m. when The Gray

Shop of Boston will show some of its latest fashions while luncheon is being served. Reservations for the North

Shore Music Theater may be made at John Elias store here in Wilmington, by mail, or by calling the box office, WA 2-8500.

SHOPPING CENTER PROPOSED AT LOWELL ST AND ROUTE 93.

A Shopping Center, having stores comparable to the proposed Urban Renewal Shopping Center at Wilmington Square, is being planned for land adjacent to Route 93, near Lowell Street.

Haig J. Adamian, of the K & H Realty Trust of Arlington told the Wilmington Planning Board on Tuesday night that he has several stores which are interested in the area. He termed the area 'a natural site for a supermarket and other stores'.

Adamian was questioned closely by the Planning Board as to

his thoughts concerning his proposal compared to the proposed Shopping Center at Wilmington Square.

He told the Planning Board that 'they would probably be in competition with one another, but in my opinion a shopping center located in the center of a town is becoming obsolete - people will patronize one but I think one on Route 93 would draw better'.

He had made no market surveys as yet, he told the Board.

He hopes to be able to submit a proposal for re-zoning, at the Special Town Meeting, to be held on Sept. 12th.

FRED CAIN AND TOWN OF WILMINGTON SETTLE CASES OUT OF COURT

A vote of the Board of Selectmen, Monday night, settled two long-standing lawsuits, between the Fred P. Cain Co of Main Street and the Town of Wilmington.

Cain had been suing for the sum of \$508.81, in settlement for repairs to Police Cruisers about three years ago, while the town had been suing for a repayment of \$600 for the Fire Truck which Cain sold to the Town three years ago.

On advice of Town Counsel Philip Buzzell the town and Cain will exchange checks and terminate both suits.

CAMP FIRE GIRLS HOLD COUNCIL FIRE

Camp Fire Girls from the towns of Wilmington, Tewksbury and Burlington participated in the first annual Grand Council Fire of the Wilmington district last Wednesday night. The members of the District Committee, parents and guests of the girls met at the Athletic Field to see the girls receive the rank of Trail Seeker and Wood Gatherer and Honor Beads achieved in the Seventh Class of Camp Fire. More than 200 girls participated in the program entering the circle in answer to the traditional Wobelo call of the Campfire Guardians and singing the familiar processional and campfire law song. Mrs Ralph B Choate district director brought greetings from the Council of Greater Boston Campfire and gave a short resume of the history of Campfire in Wilmington.

Mentioning its rapid growth in the last 6 months and pointing out that campfire service for the girls has been extended throughout the 12 months of the year with resident and day camping offering the program in July and August when formal meetings of the groups are ended. She mentioned the Day Camping opportunities at Camp 40 Acres are offered not only to members of Campfire but to all girls of Wilmington and that registration will be accepted up to July 6. Anyone interested should call Mrs William

CONFIRMATION CLASS AT METHODIST CHURCH
The Rev. Richard Harding, (rear, center) and the forty members of the Confirmation Class which were admitted to Methodist Church membership in services held last Sunday afternoon.

Hanna, OL 8-2640.

It was pointed out that Camp 40 Acres before being accepted as a site for Campfire Day Camp had been approved by Mrs. Theodore Walter day camp coordinator for the council for greater Boston Campfire Girls, and that Mrs Walter who has been a member of the staff for 20 years was most enthusiastic about the site and the opportunities it offered for the program.

Mrs Choate then thanked the leaders and members of the committees for the work they have done during the year. Members of the council Fire Committee are Mrs Ralph Anderson, Mrs James Durant, Mrs Anthony Longo, Mrs Salvatore Provenzano with Mrs Arthur Justice, chair man.

MRS DINTENAN'S PUPILS HOLD PIANO RECITAL

The piano pupils of Mrs Walter Dintenan presented a program at her home on Woburn St. last Saturday afternoon. Participants were: John Murphy who played Mr. Lion by Ann Robinson with words recited by Linda Murphy, Linda Murphy played Hot Cross Buns, Birthday party and Sandman Near. Scott Sheerin played The Shipbuilders by Ruth Shesser. Patricia Sullivan played The Traffic Cop and A Wistful Paper Doll by Pauline Cruickshank. Gretchen Platt played Dance of the Puppets and Janet Sutton played Senorita and Dreamboat.

Each pupil brought an invited guest which included Alanson Platt, George Mulvey, Patricia Murphy, Lee Ann Hubby, Maurine Lynch and Teddy Wicks.

Games were played and the

children enjoyed The Nutcracker Suite while having refreshments.

Special awards were made to Gretchen Platt, Patricia Sullivan, and Janet Sutton.

FLORA KASABUSKI ELECTED SECRETARY OF W.H.A.

Mrs Flora Kasabuski, newly elected member of the Wilmington Housing Authority, was elected Secretary, Tuesday night, relieving James Donahue of one of his dual positions of Secretary-Treasurer, imposed by the shortage of members of the Authority.

WILDCATS WIN TWO GAMES

The Wilmington Pony League Wildcats copped two victories during action last week to move back into contention in their league. Tuesday night, the Wildcats were hosts to the Reading Goodall team who had defeated them at Reading earlier in the season but this time the tables were turned - Wilmington won, 5-3. Tom Grant tripled to left field and scored the winning run in the fifth inning after two home runs had put Reading ahead in the fourth.

On Saturday, the Wilmington boys journeyed to Stoneham to take on the Falcons, losers of only one game. Pitcher Jeff Williamson scattered four Falcon hits, struck out eleven, and batted in all four Wilmington runs for a 4-2 victory. Jim Gillis, Pete Emery, and Paul Currier contributed good fielding plays and Lynn Billings, Tom Grant, Pete Emery, and Jeff Williamson banged out hits to pace the Wildcat attack. The Wilmington team faced the Falcons again this Saturday at 10 a.m. on the Wilmington High School diamond, then the annual All-Star game is scheduled for Reading on July Fourth before Wilmington meets the league-leading Reading Y's Men at Wilmington Tuesday night. With a record of five wins and three losses, the Wildcats cannot be counted out yet. Manager Bob Hastings and the boys on the team would like to express publicly their gratitude to the many friends of Pony League who contributed so generously to their campaign for financial help last week. The response was excellent.

WEST PEABODY SPEEDWAY

A spectacular display of fireworks will top the exciting program of stock car racing at the West Peabody Speedway on Route 120, just off Route 1 in West Peabody, Mass., on Saturday night, July 2 at 8:15 pm.

Stock cars will open the special holiday show with the three classes of the Atlantic Auto Racing Association in action with three big feature events and qualifying events.

Once again the daring spectators will take to the track to try their luck in their own passenger cars. This should prove to be the thriller of the night as the fields of cars have grown tremendously as the spectators enter each Saturday night. Thrills, spins and flipovers are the rule rather than the exception with these boys.

To top off the show a brilliant display of pyrotechnics will be run off with many aerial bombs and myriads of set pieces to celebrate the fourth of July holiday. So be on hand for a thrilling evening of excitement at the West Peabody Speedway on Saturday night.

The Wilmington Radio Club, mostly high school youngsters, spent Saturday night at Camp Forty Acres, in a nation wide communication test of the American Radio Relay League. They were in charge of Mel Cassidy, of Burnap Street

In the picture above Allen Meuse, 13 years old of 380 Main Street is using Civil Defense equipment, on the 6 meter band, while Joseph Micalizzi, of 17 Marjorie Road works the 2 meter band. The boys are working from beneath an awning.

Below Guy Micalizzi, of Marjorie Road (nearest camera) and George Szadis of Lloyd Road are working in the 15 meter band, using their own equipment. It was Micalizzi's last ARRL DX night, for he joined the Navy Monday.

PLANNING BOARD PRAISES ESQUIRE ESTATES DEVELOPER

The Mahoney Corporation of Arlington was given several kudos, by the members of the Planning Board, Tuesday night.

The Mahoney company was the developer of the Esquire Estates, in North Wilmington, and both present Chairman William Beers, and past Chairman Danny Gillis, during the course of a conversation with

a representative of the company, stated that the company was "The one developer who had co-operated 100% with the town", in preparing and executing its work.

The Planning Board released the last bond on the Mahoney company, one for \$3810 to ensure certain work on water mains, as the company had completed its work in the development.

**DEDHAM FIRM IS LOW BIDDER
FOR WELL FIELD EXTENSION**
The Pipeline Construction Co. of Dedham was low bidder, last Thursday evening, at the Water Commissioners meeting, for the construction of new wells, at the Barrows Well Field, in North Wilmington.

The new wells are designed to give Wilmington an additional 500,000 gallons of water a day and the successful bidder has 45 days, from the time the bid is accepted, to complete the job.

Other firms bidding were John Boyle, of Malden (\$14,580) and the Navarro Construction Co. of Medford (\$20,920).

The Pipeline Construction Co bid \$12,825. The bid will be awarded by the Town Manager.

**WILMINGTON COMMUNITY FUND
APPROVES OF DENTAL CLINIC
OPERATIONS**

As the result of a joint meeting between the Wilmington Community Fund and the Wilmington Dental Clinic, last week, the Community Fund has found that the clinic is one of the most efficiently operated clinics in the area.

The meeting was held because of the increasing costs of the clinic - costs which have increased as the population of the town has increased.

The Community Fund, through a spokesman, declared after the meeting that they were more than pleased with the operations of the clinic.

'Speaking personally', he said, 'I'll back it 100%'.

STRAWBERRY FESTIVAL

Laurel and Anne Polsey, feasting on strawberry shortcake, at the annual Strawberry Festival of the Baldwin Civic Association, Inc. at its Chestnut Street headquarters, last Friday.

**SELECTMEN VOTE ACTION ON
CELLAR HOLES AND DANGERS
NEAR SIGNORE DEVELOPMENT**
The Board of Selectmen, Monday night, voted to send a letter to the present owner of record of property near the Signore Development, in North Wilmington, warning that action should be taken to prevent children from falling into five abandoned cellar holes, and two other holes in what was once a swamp, near the B&M tracks on Salem Street.

The swampy area had been filled with rocks and dirt, but the dirt has disappeared, and left 'very dangerous' holes, Selectman John Brooks told the board.

'The people in the area are very bitter about the conditions' Brooks said. 'Brush prevents people from seeing the dangers, but they are there'.

The letter will be sent by TM Lancaster, after checking legal points with Town Counsel Phillip Buzzell. Ordinarily such a letter gives the recipient five days to eliminate the nuisance, on penalty of a \$20 a day fine, if imposed by the court for non-compliance.

The Story Hour for pre-school children will be held on July 5 at 10:30 a.m.

Vacation Loan
Many of the old books - those which have been in the Library for a year or more - may be borrowed on 'vacation loan'. They will be stamped as due September 10 and may be kept without renewal until that date.

New Books

Here are a few of the new books in the Library. A complete list will be found on the Bulletin Board at the Library.

Truman speaks - Truman; Developing camp sites - Ledlie; Edge of the sword - de Gaulle

ADVERTISEMENT FOR BIDS

TOWN OF WILMINGTON, MASSACHUSETTS JUNE 23, 1960

The Permanent Building Committee of the Town of Wilmington, Massachusetts solicits bids for the procurement of classroom furniture, and other equipment for the Boutwell Elementary School. Specific information concerning the required items, quantity needed, etc., may be obtained from the office of the Superintendent of Schools, 159 Church Street, Wilmington, Massachusetts.

Sealed bids, in clearly marked envelopes, must be delivered to the above office by 3:00 p.m. on July 21, 1960. Bids will be opened at 8:00 p.m. of the same day at Wilmington High School. The Town of Wilmington, through the duly authorized Permanent Building Committee, reserves the right to reject any and all bids, and to adjust the number of items specified in any group, if it be in the public interest to do so.

JEHOVAH'S WITNESSES

Delegates from the local congregation of Jehovah's Witnesses returned home from their three-day convention in Malden Mass., this past weekend. Robert S. Jones, local presiding minister said that 2082 were in attendance to hear the key speaker Frank Spacil from Brooklyn, New York speak on the widely advertised topic, 'Finding Peace in a Troubled World'.

Mr Spacil speaking at Malden High School told the audience that a Christian, with Bible knowledge will see that one duty is to 'shod his feet with the gospel of peace' as admonished in the Bible book of Ephesians, chapter 6. This was not a selfish course the speaker pointed out because it then obligates the Christian to spread the Bible 'good news' to his fellow man.

Mr Spacil, who is the Northeastern United States supervi-

sor for the group stated that as a result of this program 'Jehovah's Witnesses have become a New World Society who have conquered the problems of world peace. They have beaten their swords into plowshares as Isaiah 2:3 foretold. They refuse to be quarrelsome and

MANAGER OF MID WESTERN SALES FOR NATIONAL POLYCHEMICALS
Benjamin J. Skowronski has been named Manager, Midwestern Sales, by National Polychemicals, Inc. of Eames Street. He will make his headquarters in Akron, Ohio.

Before his appointment Mr. Skowronski was technical representative for the Neville Chemical Co and prior to that he was technical service supervisor for rubber and plastics for the SDC division of the Diamond Alkali Company.

A member of the American Chemical Society, Mr. Skowronski received his degree in chemical engineering from the New York University.

belligerent and will not fight with another person. The spirit of peace permeates their organization'.

The local minister also met with 21 other congregation overseers in a special session to discuss further organizational plans and it was made known that the congregations in this circuit had an 11% increase in the last six months.

RAYMOND DOHERTY

The funeral of Raymond Doherty, Charlestown Boys' Club leader, and Regional Director of the American Red Cross Chapter, was conducted from St. Agnes' Church in Wallston June 12. He was 37.

Mr. Doherty, widely known throughout the New England area for his interest in the youth development, was Regional Instructor of M.D.C. swimming meets, and had travelled throughout the six-state territory as a Red Cross Worker in this capacity. He resided on Grove Ave., in the town during the four summers that his work kept him here.

He was born in Charlestown, one of 12 children, and his be-

reaved family include his wife the former Anne Maisey of Charlestown, presently of Wallaston, and four children; Julie, 11; Margery, 9; Raymond Jr 8; and James Dennis, 5; his sister, Mrs Mary Bemis, and family: Daniel Bemis Jr.; Misses Elaine and Nancy Bemis, and Mrs Herbert Peterson, all of Grove Ave.; and Mrs Mary Pitman, of Burnap St. Also, the children of his sister, Mrs Eleanor Robbins; Janet and John Robbins.

Burial, after a High Mass of Requiem and Honor Guard representation, consisting of a large contingent from the American Red Cross Regional Chapters, was at Holy Cross cemetery in Malden.

Father Joseph Leahy, Parish Priest of St. Dorothy's, and the control of the new carillons which were heard for the first time last Sunday. The carillons were a gift from one of the members of the parish.

St. Dorothy's bells were heard for the first time in Wilmington Sunday morning, sounding the call to worship from the new church in the Silver Lake district.

Produced by the Schulmerich Carillons, Inc. company of Sellersville, Pennsylvania, the three bells of the 'Marian' instrument provide the tonal equivalent of 18,000 pounds of perfectly tuned, pure toned cast bells.

The bell tones are produced by miniature bell tone generators of traditional bronze metal which are struck by metal hammers. These minute but exacting bell tones are then amplified over 1,000,000 times by means of specially designed electronic equipment, producing true bell tones having all the depth and richness of cast bells of massive proportions.

The bells are controlled by a 24 hour, seven day calendar clock, which is installed in a room in the back of the church.

In addition to the automatic clock controlled program, the bells may be rung by manual control through the touch of a switch, or semi-automatically

through push-button starting of a motor driven mechanism.

It is understood that St. Dorothy's has the only installation of this kind in New England.

NEW GIRL SCOUT ADVISOR

Mrs Bruce Backe, 400 Woburn Street, who has been chosen Advisor to Senior Girl Scout Troop 108.

She was chosen by the girls, in a meeting on June 22nd at the home of Mrs Henry Latta, on Morse Ave. Mrs. Latta was hostess at a cookout for the girls.

Mrs Bruce, a graduate of Antioch College, with a major in occupational therapy, is replacing Mrs. John MacGahan of Columbia Street, who is moving to another town.

CELEBRATE 35TH ANNIVERSARY

Mr and Mrs Elmer H. Baker, of Shady Lane Drive, who celebrated their 35th wedding anniversary on June 12th., at their home.

Over 60 guests were present, coming from points as far away as Alaska and Florida. Each of the ladies present was presented with an orchid.

Mr. and Mrs. Baker were married by the Rev. Henry Crane, at the Malden Methodist Church. He is a Chief Crew Dispatcher for the Boston & Maine R.R.

YOUTH CANTEN TO HOLD SECOND ANNUAL FIELD DAY AND HORSE SHOW

At a recent meeting of the adult committee for the Youth Committee it was decided to go ahead with a second annual field day and horse show.

Plans are now being made and although the exact day is as yet unannounced it will be held late this summer.
